

WELCOME TO OUR ENGLISH SPEAKING VISITORS

May we introduce ourselves - HUGEL & RABOT CONSEIL is a retained HR executive search and talent consulting firm based in Paris.

We help companies of all sizes in industry & service, to find and attract talents for their developments on the national or international markets. Our clients have headquarters in Europe, North America, Canada, and Asia.

Our areas of practice: service & diverse array of industries, with an expertise in security, safety, high technology and environmental sectors.

In 2012 we developed and launched www.search4profile.com.

This independently run job board concentrates on 4 specific areas of industry: **Security, Safety, High Technology and Environmental sectors.**

Search 4 Profile is aimed at experts, engineers, managers, and top executives specialized by skills or by experience in these fields.

Recruiters can post job announcements directly or with the assistance of our team.

We are working on an English version of www.search4profile.com.

Is there any interest for your company ? We would very much appreciate receiving your comments: [contact\(a\)search4profile.com](mailto:contact(a)search4profile.com)

Are you looking for talented professionals right now ? We can help you to find and attract talents for your developments on the national or international markets.
